Protect your family from the flu. Get your FREE flu shot!

Flu is a contagious respiratory disease that can lead to serious illness, hospitalization or even death. Activate Healthcare recommends everyone six months and older get a flu vaccine yearly.

Available beginning early October, Mid Central Operating Engineers eligible participants and their dependents covered by the Health and Welfare Fund can receive FREE flu shots from their Activate Health & Wellness Center. Take advantage of this health benefit for you and your family this fall, and call your Activate Health & Wellness Center to make an appointment!
