## What is LiveHealth Online?

With LiveHealth Online, you have a doctor by your side 24/7. LiveHealth Online lets you talk face-to-face with a doctor through your mobile device or a computer with a webcam. No appointments, no driving and no waiting at an urgent care center.

Use LiveHealth Online for common health concerns like colds, the flu, fevers, rashes, infections, allergies and more! It's faster, easier and more convenient than a visit to an urgent care center.

## Why would I use LiveHealth Online instead of going to visit my doctor in person?

Plus, you can get a LiveHealth Online visit summary from the *MyHealth* tab to print, email or fax to your primary doctor.

LiveHealth Online should not be used for emergency care. If you experience a medical emergency, call **911** immediately.
