

Teamsters Local 1932 Health & Welfare Trust!

Dear Member,

We are excited to introduce you to the new Teamsters Local 1932 Health & Welfare Trust. You voted for this and your leaders fought to create a health plan that protects and empowers your future. The first step was lowering premium costs, now we have established your new Health & Welfare Trust that will enable Teamsters Local 1932 to work toward building future benefits utilizing the savings a Trust Fund can create.

Only through your participation, can these future benefits be possible. For the first time ever, you will have the ability to choose a plan from the Teamsters Local 1932 Health & Welfare Trust. This will provide the same medical plan options you have now, as well as some new ones with better benefits!

The Teamsters Local 1932 Health & Welfare Trust will provide you more information on the Plan options under the Trust in the coming weeks; however, you will have the same plan options available that you have today with the County. If you would like to enroll in the Trust and keep the same plan, that will be a simple “click” away. BlueShield, Kaiser, Delta Dental, and EyeMed are all available. All of these plans come with the same or better coverages and rates than before.

More information will be available to you in the coming weeks, including some new options exclusively available through the new Teamsters Local 1932 Health & Welfare Trust.

Your open enrollment period starts **October 12th and will go through October 23rd**. Enrollment will be available online through a secure dedicated website for the Trust, or through paper enrollment forms that will be available upon request.

A dedicated customer service team will be available to answer any questions you may have and/or help you walk through the enrollment process. All of the network providers will also have customer service representatives to answer any specific plan questions you may have.

Once the threat of the COVID-19 subsides and it is safe to return to regular activities, we will have a dedicated office specifically for the Teamsters Local 1932 Health & Welfare Trust and its participants. The customer service representatives will be available to assist participants and dependents in person at the Trust Fund office, or on the phone with any matters regarding their plan.

This is an incredible opportunity for you, your family and the Teamsters Local 1932 Members, and we look forward working with you for years to come.
