

NORTH ATLANTIC STATES CARPENTERS BENEFIT FUNDS

Security Policy

North Atlantic States Carpenters Funds are committed to protecting the personal information you share with us. When we transfer sensitive personal data over the Internet, we protect it using Secure Sockets Layer (SSL) encryption technology. We are committed to preventing anyone from obtaining unauthorized access to the personal information you provide to us over the Internet, and we maintain commercially reasonable procedures and technology designed for this purpose. This website has reasonable technical and organizational security measures in place to protect the loss, misuse or alteration of information under our control. We periodically update and test our technology in order to improve the protection of customer information. The North Atlantic States Carpenters Funds are committed to keeping your personal information safe, in compliance with all applicable laws, including, with respect to the North Atlantic States Carpenters Health Fund, the Health Information Portability and Accountability Act (“HIPAA”).

Emails and Personal Information

The Funds do not send emails to participants requesting payment, login or password information. If you receive an email purporting to be from the Funds that asks you to provide personal or account information, or login and passwords, do not provide such information unless you have first verified that the website or email is from the Funds. Such emails may be fraudulent and used in connection with scams known as phishing. The Funds ask that you report any suspicious emails.

Consent

By using this website, you are consenting to this Security Policy of North Atlantic States Carpenters Funds.
